

We Have the Perfect Program for You

First and foremost, we train and educate our students. As a “college-like” school, we provide education whether you are a beginner or are striving to become an expert. We will work with you during every step of your education to help ensure your success.

At the International Wine and Spirits Guild, we value each student’s desire to learn, and we want to become your partner as you explore all aspects of wine or spirits and their deep roots in world history. Whether you are studying as a beginner, a connoisseur or an aficionado, we have programs to fit all of your specific needs.

Our headquarters is located in Denver, Colorado. We teach at several locations in Metro Denver as well as other states, such as Texas and Arizona.

We use learning environments designed to meet the highest standards of excellence and provide a world class wine education. All of our seminars and courses are open to everyone interested in learning about wine or spirits.
